REPRINT GUIDELINES

To request permission to reprint articles, please send an e-mail to mengelhausen@aacei.org. Please list the volume number, issue date, month and year of the *Cost Engineering* journal in which the article appears. List the title of the article and its author(s).

State how many copies will be reprinted, list the title of the publication in which the reprint will appear and its projected publication date. List if you are requesting permission only for a printed version or if you also want electronic reprint permission for CD-ROMs, website postings, etc. For Internet postings, list if the public has site access or if it is a member's only site and the potential number of users. List if your reprint will be in English or another language. List if you will need an electronic copy of the article included with the reprint permission and in what file formats you would prefer.

Approval should only take a few days and you will be notified by e-mail of the decision.
